

# Llantwit Major Archers

## Autumn newsletter

*Greetings to all LMA members!  
It's been a busy few months for the club through the  
summer.*

*We would like to thank all archers who attended our 1st 'Pete Boley Memorial Shoot' it was great to see so many archers on what started as poor weather. The day finished well and all those present reported they enjoyed the unique mixed round.*

*The shoot raised £360 which was distributed between the two charity's Velindre Cancer Centre and Marie Curie.*

*A special mention to Ieuan Graham who was the first person to receive our new 'Pete Boley Memorial Shoot' Trophy for his constant and continuing work and support to the club. Congratulations!*

*EFAC 2017 held in Germany was well attended by many LMA archers and we would like to say 'Well Done' to all who shot the challenging 5-day competition.*

***Our renovated website,** (LMArchers.com) continues to be updated. Please take a look and check it out!*

***Work Parties,** we'd like to give a big thanks to all those that were able to attend the work parties at both Fonmon and Boverton Court throughout the year. Without your help the club wouldn't be what it is. Next work party dates:*
